	 A screenshot of a web-based payment interface. At the top, there's a navigation bar with links for HOME, LOG OUT, and HELP. Below the navigation, there's a section titled "AUTOMATION". The main area shows a product image of a person wearing a tan coat, with the text "ZARA COAT" and "Size M/L 1". There are three tabs: "Credit Card" (which is selected), "Bank Transfer", and "PayPal". Under the "Credit Card" tab, there are fields for "Card Holder Name", "Card Number", "Expiry Date", and "CVV/CVC". There's also a dropdown for "Card Type" showing "Visa" and a checkbox for "Check for card validity". A "NEXT STEP" button is at the bottom. To the right, there's a "Personal Information" section with fields for "First Name", "Last Name", "Address", "City", "State", "Zip", and "Country". A "Shipping Information" section follows with fields for "Address", "City", "State", "Zip", and "Country". A "Delivery Method" section includes a radio button for "Next Day Delivery" and a checkbox for "Order tracking". A "NEXT STEP" button is also present here.
